Dear Sir or Madam,

South Greenville Sports, Inc. is a non-profit organization providing high quality, low cost sports teams for young people in Southern Greenville. Youth baseball and softball helps our children with physical, social and emotional development. We stress character, courage and loyalty as a foundation for success on and off the field.

Baseball and softball embody the discipline of teamwork. They challenge players toward perfection of physical skills and bring into play the excitement of tactics and strategy. The very nature of baseball and softball also teach that while every player eventually strikes out or is on the losing team, there is always another chance for success in the next at-bat or game.

As with any non-profit organization, financial support from the local community is critical. Our goal is to increase the organization by 10 teams or 100 children. To this we will need to raise \$7500 to cover cost of equipment and recreation fees. This does not include the cost of individual registration and uniforms which are passed on to individual players.

This year we have several sponsorship levels starting at only \$15, and 100% of your contribution goes to support the young men and women of our organization.

Our Federal ID # 26-1252320 may be used for tax purposes.

Please feel free to contact me with any questions or concerns.

Your donation is greatly appreciated.

Sincerely,

Jennifer Martin
